BLUE UNIVERSAL PROXY CARD OR VOTING INSTRUCTION FORM TODAY**

This proxy statement (this “Proxy Statement”) and accompanying BLUE proxy card are being furnished to stockholders of Air Products and Chemicals, Inc., a Delaware corporation (“Air Products” or the “Company”), by Eagle Fund A1 Ltd, a Cayman Islands exempted company (the “Record Stockholder”), Mantle Ridge LP, a Delaware limited partnership (“Mantle Ridge”), Eagle Advisor LLC, a Delaware limited liability company (“Eagle Advisor”), Paul Hilal (all the foregoing entities or individuals, collectively, the “Mantle Ridge Parties” or “we,” “our” or “us”), Andrew Evans, Tracy McKibben and Dennis Reilley (such individuals collectively with the Mantle Ridge Parties, the “Participants”) in connection with the solicitation of proxies from the holders (the “Stockholders”) of common stock, \$1.00 par value, of the Company (the “Common Stock”), at the 2025 annual meeting of Stockholders of the Company (including any and all adjournments, postponements, continuations or reschedulings thereof, or any other meeting of Stockholders held in lieu thereof, the “2025 Annual Meeting”).

This Proxy Statement and the enclosed **BLUE universal proxy card or voting instruction form** are first being mailed to Stockholders on or about December 9, 2024.

As a significant Stockholder of Air Products with a very long-term horizon for our investment (we own approximately 1.8% of the outstanding Common Stock), we are committed to helping the Company most fully realize its potential. It has become clear to us that comprehensive action — including additional stockholder-driven change in the boardroom — is required to protect Stockholders from the issues plaguing the Company and to reset the Company for success. Accordingly, we are nominating for election as directors of the Company four highly qualified, independent candidates: Andrew Evans, Paul Hilal, Tracy McKibben and Dennis Reilley (each, a “Mantle Ridge Nominee” and, together, the “Mantle Ridge Nominees”), who collectively have ideal operational, industry and financial expertise and board experience, and each of whom is committed to bringing fully objective, fully independent, and open-minded perspectives to the Company’s Board of Directors (the “Board”).

We are seeking your support at the 2025 Annual Meeting scheduled to be held virtually at www.cesonlineservices.com/apd25_vm on January 23, 2025, at 8:30 a.m., Eastern Time, in connection with the following items of business:

1. Election of our four director nominees, Andrew Evans, Paul Hilal, Tracy McKibben and Dennis Reilley, to the Board as directors to serve until the 2026 annual meeting of Stockholders (the “2026 Annual Meeting”) and until their respective successors are duly elected and qualified;
2. Ratification of the selection of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2025 (the “Ratification of Auditors”);
3. The advisory vote to approve the compensation of the Company’s named executive officers (the “Compensation Proposal”); and

4. To approve the repeal any provision of, or amendment to, the Company's Bylaws (as amended, supplemented or modified from time to time, the "Bylaws") that the Board adopted or adopts after September 17, 2023 and up to and including the end of the 2025 Annual Meeting (the "Bylaw Proposal").

Through this Proxy Statement and enclosed **BLUE universal proxy card or voting instruction form**, we are soliciting proxies to elect the four Mantle Ridge Nominees to become directors. The Mantle Ridge Parties and Air Products will each be using a universal proxy card for voting on the election of directors at the 2025 Annual Meeting, which will include the names of all nominees for election to the Board. Stockholders will have the ability to vote for up to nine nominees on the Mantle Ridge Parties' enclosed **BLUE universal proxy card or voting instruction form**. There is no need to use the Company's white proxy card or voting instruction form, regardless of how you wish to vote.

Assuming the Mantle Ridge Nominees receive sufficient votes to be elected to the Board, your vote to elect the Mantle Ridge Nominees will have the legal effect of replacing four incumbent directors of the Company on the Board. If elected, the Mantle Ridge Nominees, subject to their fiduciary duties as directors, will seek to work to maximize Stockholder value. There is no assurance that the Company's other directors will serve as directors if one or all of the Mantle Ridge Nominees are elected.

You should refer to the Company's definitive proxy statement for the 2025 Annual Meeting (the "Company Proxy Statement"), which was filed by the Company on December 3, 2024 with the Securities and Exchange Commission (the "SEC"), and which may be accessed without cost on the SEC's website at www.sec.gov, for the names, background, qualifications and other information concerning the Company's nominees.

Stockholders are permitted to vote for fewer than nine nominees or for any combination of the Mantle Ridge Nominees and the Company's nominees on the **BLUE universal proxy card or voting instruction form** (but no more than nine in total). The Mantle Ridge Parties urge Stockholders to use our **BLUE universal proxy card or voting instruction form** to vote:

- **"FOR"** each of the Mantle Ridge Nominees: Andrew Evans, Paul Hilal, Tracy McKibben and Dennis Reilley;
- **"WITHHOLD"** on each of the following Company nominees: Charles Cogut, Lisa A. Davis, Seifollah Ghasemi and Edward L. Monser; and
- **"FOR"** each of the following Company nominees: Tonit M. Calaway, Jessica Trocchi Graziano, Bhavesh V. Patel, Wayne T. Smith and Alfred Stern.

IMPORTANTLY, IF YOU MARK MORE THAN NINE "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, ALL OF YOUR VOTES FOR THE ELECTION OF DIRECTORS WILL BE DEEMED INVALID.

The Company has set the close of business on November 27, 2024 as the record date for determining Stockholders entitled to notice of, and to vote at, the 2025 Annual Meeting (the "Record Date"). Stockholders of record at the close of business on the Record Date will be entitled to vote at the 2025 Annual Meeting. Each outstanding share of Common Stock is entitled to one vote on each matter to be voted on at the 2025 Annual Meeting. As set forth in the Company Proxy Statement, 222,383,500 shares of Common Stock are outstanding as of the Record Date. The mailing address of the principal executive offices of the Company is 1940 Air Products Boulevard, Allentown, PA 18106-5500.

As of the date hereof, the Mantle Ridge Parties beneficially own an aggregate of 4,107,521 shares of Common Stock (approximately 1.8% of the outstanding shares of Common Stock based on 222,383,500 shares of Common Stock outstanding as of the Record Date, as reported in the Company Proxy Statement) and Mr. Evans beneficially owns 5 shares of Common Stock. None of the other Mantle Ridge Nominees beneficially owns shares of Common Stock. The Participants intend to vote all such shares: **"FOR"** the election of each of the Mantle Ridge Nominees (Andrew Evans, Paul Hilal, Tracy McKibben and Dennis Reilley), **"WITHHOLD"** on the election of each of Charles Cogut, Lisa A. Davis, Seifollah Ghasemi and Edward L. Monser, **"FOR"** the election of each of Tonit M. Calaway, Jessica Trocchi Graziano, Bhavesh V.

Patel, Wayne T. Smith and Alfred Stern, “**FOR**” the Ratification of Auditors, and “**FOR**” the approval of the Bylaw Proposal, and they recommend other stockholders vote the same way on those matters. The Participants make no recommendation with respect to the Compensation Proposal.

We urge you to carefully consider the information contained in this Proxy Statement and then support our efforts by signing, dating and returning the enclosed **BLUE universal proxy card or voting instruction form** today.

THIS SOLICITATION IS BEING MADE BY THE PARTICIPANTS AND NOT ON BEHALF OF THE BOARD OR MANAGEMENT OF THE COMPANY. THE MANTLE RIDGE PARTIES ARE NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE 2025 ANNUAL MEETING OTHER THAN AS DESCRIBED HEREIN. SHOULD OTHER MATTERS, WHICH THE MANTLE RIDGE PARTIES ARE NOT AWARE OF A REASONABLE TIME BEFORE THIS SOLICITATION, BE BROUGHT BEFORE THE 2025 ANNUAL MEETING, THE PERSONS NAMED AS PROXIES IN THE ENCLOSED **BLUE UNIVERSAL PROXY CARD OR VOTING INSTRUCTION FORM** WILL VOTE ON SUCH MATTERS IN THEIR DISCRETION.

THE MANTLE RIDGE PARTIES URGE YOU TO VOTE “**FOR**” THE MANTLE RIDGE NOMINEES, “**WITHHOLD**” ON EACH OF CHARLES COGUT, LISA A. DAVIS, SEIFOLLAH GHASEMI AND EDWARD L. MONSER, AND “**FOR**” EACH OF TONIT M. CALAWAY, JESSICA TROCCHI GRAZIANO, BHAVESH V. PATEL, WAYNE T. HOLDERS OF SHARES OF COMMON STOCK AS OF THE RECORD DATE ARE URGED TO SUBMIT A **BLUE UNIVERSAL PROXY CARD OR VOTING INSTRUCTION FORM** EVEN IF YOUR SHARES WERE SOLD AFTER THE RECORD DATE.

IF YOU HAVE ALREADY SENT A PROXY CARD FURNISHED BY COMPANY MANAGEMENT OR THE BOARD, YOU MAY REVOKE THAT PROXY AND VOTE ON EACH OF THE PROPOSALS DESCRIBED IN THIS PROXY STATEMENT BY SIGNING, DATING AND RETURNING THE ENCLOSED **BLUE UNIVERSAL PROXY CARD OR VOTING INSTRUCTION FORM**. THE LATEST DATED PROXY IS THE ONLY ONE THAT WILL BE COUNTED. BACKGROUND OF THE SOLICITATION

The following is a chronology of events leading up to this proxy solicitation:

- Beginning in February 2024, Mantle Ridge engaged in a due diligence review of the Company and its board, management, operations, capital allocation, strategy, performance, prospects, and related matters. As a result of this review, Mantle Ridge arrived at the conclusion that the Company was dramatically underperforming its potential, and that its performance could be materially improved if change was made to the Board, and if the reconstituted Board conducted a thoughtful search process to replace the current CEO as soon as possible. As part of that process, Mantle Ridge believes it would be appropriate for the reconstituted Board to interview Eduardo Menezes and other suitable candidates.
- On March 21, 2024, Mantle Ridge initiated an investment in the Company and increased its investment over the succeeding months.
- On October 4, 2024, Mr. Hilal spoke telephonically with Edward Monser, Lead Independent Director of the Company. During the call, Mr. Hilal indicated to Mr. Monser his interest in commencing a dialogue with the Company with respect to matters of strategy, capital allocation and succession. To that end, Mr. Hilal told Mr. Monser that he would be sending a formal letter to Mr. Monser for delivery to the Board. Mr. Monser indicated to Mr. Hilal that the Board would be in touch with Mr. Hilal “very soon” and that the Board would be having a series of meetings over the coming weekend.
- Also on October 4, 2024, Mr. Hilal delivered a letter to the Board, formally introducing Mantle Ridge as a significant stockholder of the Company. The letter stated the following:

“Dear Members of the Board:

Mantle Ridge is a long-term-oriented engaged shareholder that works closely with companies to help them most fully realize their potential. Our more than \$1 billion stake in the Company’s shares makes us highly aligned with the Company’s long-term best interests.

We seek to commence a dialogue concerning material and time-sensitive matters of strategy, capital allocation, and succession. They are best resolved promptly.

Who We Are

Mantle Ridge’s primary mission is to support the boards with which we engage, and to help them most effectively create durable value for shareholders and other stakeholders.

We achieve this mission through principled discussions, and the quiet, collegial, constructive tone that mirrors our values. We strive to be worthy partners.

Mantle Ridge’s structure is closely aligned with our “permanent ownership” mentality. None of our affiliated entities is a hedge fund or other investment vehicle with a structurally short-term incentive. This alone fundamentally differentiates us from other market actors who are known to engage with boards. Those who know us do not compare us to “activists”, they contrast us with them. “Engaged, long-term owner-steward” better describes our firm.

Our investment is through entities dedicated to this opportunity, and is funded by the General Partner and our limited partners. Upon the return of capital to our limited partners, the General Partner receives a performance allocation in the form of Company shares (i.e., there is no cash out or exit). These allocated shares, combined with those purchased outright by the General Partner, form the basis of the General Partner’s permanent equity interest and long-term alignment. Our CSX investment provides a good illustration. We returned limited partner capital several years ago, but the General Partner maintains a large ongoing investment in CSX, and we continue in our eighth year of service on its board.

The power of this alignment cannot be overstated. We remain aligned with the longest term stakeholders in the companies we serve.

History with the Company and Seifi Ghasemi

We are so grateful for and proud of our history with the Company and with Seifi. We have admired with greatest satisfaction the Company's many important achievements under Seifi's leadership, and under the stewardship of the Board. We have a deep admiration and personal regard and affection for Seifi.

Issues at Hand

We hope to have a substantive and constructive discussion concerning strategy, capital allocation, and succession. This is best done at an in-person meeting at the first available opportunity.

The Path Forward

The path forward is best followed with greatest deliberate speed, targeting resolution within weeks.

Because succession is central to this discussion, we expect it to be led by a Board subcommittee comprising exclusively independent directors. This subcommittee would select, retain, direct, and specify the compensation for its own set of advisors, distinct from the advisors whose compensation is or has been directed by management.

In these situations, public statements and media reports can compromise the private discussions and limit our options going forward. They can be highly counterproductive.

We ask that during the pendency of these discussions, you pause any major new capital commitments that could be considered outside of the scope of the traditional core business. We further ask that you also pause sales of assets that could be considered core (including and especially the South Korea business).

As is often the case, an open, transparent, "no surprises" approach minimizes the chances of miscommunications and missteps that can invite counter missteps.

What Success Looks Like

We hope for a quiet and constructive engagement that quickly brings all concerned to a common understanding of the shareholders' best interests, and the means to best serve it. The outcome, and the public perception of the outcome, would reflect well on all.

Next Steps

We would like to meet in-person with an independent subcommittee of the Board in the next couple of weeks.

We ask you to set the director nominating deadline to November 15th to allow time for full resolution. This is a costless step that will obviate our nominating a board slate. Doing so attracts a great deal of media attention and speculation. It fans an adversarial narrative that ensures that any path we choose will be seen as the result of conflict.

We ask you to promptly send the nominating questionnaire and other materials necessary for us to effect our nomination. Ideally, we would hope to receive these by Monday.

We ask you to keep this letter confidential and not publish it in whole or part.

We hope you will approach this possibility in the same spirit of openness and partnership that we do.

Thank you for your consideration.

Respectfully,

Paul Hilal"

- Also on October 4, 2024, Mr. Monser called Mr. Hilal to arrange a meeting at Mantle Ridge’s office for October 9, 2024.
- On October 9, 2024, Mr. Hilal and representatives from Mantle Ridge met with a group of independent directors of the Board to further discuss Mantle Ridge’s views on matters set forth in Mr. Hilal’s October 4, 2024 letter. At that meeting, Mr. Monser indicated that Mr. Charles Cogut and Mr. Monser were likely to not stand for re-election, or would otherwise soon step down from the Board. Later that day, Mr. Hilal and Mr. Monser spoke telephonically to discuss the Board’s reaction to the letter Mr. Hilal sent on October 4, 2024. Mr. Monser stated that the Board was continuing to deliberate regarding the letter and that he would call Mr. Hilal again on that upcoming Friday, October 11, 2024.
- On October 10, 2024, D.E. Shaw & Co. (“D.E. Shaw”) published by press release an open letter to the Board calling for changes to address underperformance in the Company’s shares and deficiencies in its governance and capital allocation policies. According to news reports on that day, D.E. Shaw had amassed a \$1 billion stake and had decided to nominate three directors to the Board at the 2025 Annual Meeting. Mantle Ridge first learned of D.E. Shaw’s involvement with the Company through such news reports, prior to which there was no relationship or history of relationship between Mantle Ridge and D.E. Shaw relating to the Company, nor any history of dialogue between Mantle Ridge or any of its team members and any D.E. Shaw employee concerning the Company.
- Also on October 10, 2024, Mr. Hilal and Mr. Monser spoke telephonically regarding the news about D.E. Shaw as well as recent news reports of the Company’s engagement with Mantle Ridge. Mr. Monser asked Mr. Hilal to provide the Board a letter summarizing Mantle Ridge’s main points. Later that day, Mr. Hilal called Mr. Monser to preview with him the draft letter that Mantle Ridge hoped would be responsive to his request from the prior day. Mr. Monser explained that it was responsive, helpful, and sufficient.
- On October 11, 2024, Mr. Hilal sent the letter electronically to Mr. Monser and the Corporate Secretary. The letter stated the following:

“Dear Mr. Monser:

Thank you again for the time you and the special committee spent with us on Wednesday morning. We enjoyed our time together and think we made a lot of progress.

We write in response to your request yesterday afternoon that we put some essential points in writing. We hope the below is responsive and useful. Please let us know whether you would like us to expand or clarify. As we hope remains clear, we share the same goal — the long-term best interest of the shareholders.

Capital Allocation and Strategy

We support the Company’s investing in projects with risk and risk-adjusted-return characteristics that are consistent with the core business. We believe that value is maximized if future projects the Company pursues are structured so they fit within this framework. We believe that existing projects should be maximized within the context of their commitments and terms.

Succession

We support the Company’s articulated intention to install a successor to Seifi Ghasemi as CEO.

At our meeting on Wednesday, we heard the Board’s specific concerns about the nature of the Company’s functional hierarchy. We are convinced that there is tremendous latent talent in the organization — talent that can, given the right opportunities and support, develop into great leaders at all levels. Nevertheless, we understand and have weighed the concern you expressed.

There is undoubtedly an enormous amount of opportunity here to create value, and a commensurately enormous amount of work to be done. We heard from the committee a preference for a CEO who could be expected to serve for many years and take on those opportunities.

As we reflected upon and deliberated the points you have raised, we arrived at an adjustment of our proposal. We would like to suggest a day-one, “double-barreled” approach toward leadership. First, a seasoned, gas-industry former CEO renowned for operational excellence, capital allocation, and team building, installed as Executive Chairman. He would be paired with a younger executive we think well-suited to this challenge as CEO. We have identified exceptional candidates for these roles.

This double-barreled approach should help jumpstart the new chapter, and give it its best possible beginning. The Company must continue enhancing its competitiveness, accelerate the development of internal talent, and supplement the internal team with the absolute best available talent.

The possibilities created from blending the two types of “corporate DNA” are extraordinary — the DNA from a decade of Seifi Ghasemi’s unique creativity, brilliance, and energy, PLUS the addition of the best of the DNA from around the industry.

Of course, we would welcome discussing your alternate leadership ideas.

Board Refresh

It is a fortunate coincidence that the Board has been contemplating a meaningful refresh. For a range of reasons including those covered at our Wednesday meeting, a majority of independent directors being new will enhance the chances of this new chapter succeeding. We believe maximizing the new chapter’s chances of success is the most important consideration of all. The success of this chapter will be the measure by which our collective performance as stewards will be judged.

As discussed on Wednesday, we welcome consideration of all potential independent, highly qualified nominee candidates. We hold up as examples the two independent directors that we supported in our prior engagement with the Company. Ed Monser and Matt Paull are the kind of truly independent, high-integrity, and shareholder-oriented director nominees that we think can best serve shareholders.

Tone of Engagement

We wanted to briefly address the challenges that arise when we get confused with hedge fund activists.

Board discussions with the various hedge fund activists in the marketplace can often be experienced and characterized as adversarial, zero-sum allocations of power and control. The advisors in these matters often use language like “who will control the board”, “who gets to *veto* nominees”, “incumbent directors *versus* dissident directors”, “which side *wins*”, “us *versus* them”, “our side *versus* their side”, “fight”, “negotiate”, “settle”, “circle the wagons”, “defend”, “the activist attack”, “protect against”, “defeat”, “repel”, *etc.*

We would imagine your advisors use this kind of language and framing.

While there are good arguments for using this lexicon and framing when dealing with a hedge fund activist, we ask the Board to consider whether it is at all relevant to dealing with us. We submit that it is inapplicable, and when applied to us, it is materially counterproductive.

A combination of framing from advisors early on, and preconceptions from directors’ experiences with hedge fund activists, often causes boards to begin their engagements with us as if we were adversarial parties. But our principled and transparent approach combined with the reality of our alignment, ensures that the tone quickly evolves into a collaboration of aligned parties. We look forward to this journey with you.

Indeed, we believe that an understanding that we are constructively collaborating and will work closely together prospectively will be both welcomed by the marketplace and stabilizing to the Company.

Seifi Ghasemi

Like each of you, we have a truly profound admiration, gratitude, and affection for Seifi. We are confident that change can be effected in a way that ensures Seifi's legacy is duly protected, preserved, and celebrated. This is a priority for us, just as it is for the Board

Extending the Nominating Deadline

In our experience, companies generally take the position that extending a nominating deadline is not a disclosable event. Such extensions are costless and routine.

Our being known publicly to have nominated persons to the Board would frame our engagement as adversarial, rather than collaborative. The ultimate outcome will therefore be perceived as the result of conflict, and would therefore be suboptimal for all concerned.

But this is of course the Board's decision. Without an extension, we are likely to nominate directors early next week.

Communications / Logistics

We would like to continue our engagement with an independent subcommittee of the Board. We ask that we schedule a few touch points each week, even if such touch points end up being abbreviated. Doing so will facilitate scheduling and planning.

Timing

If we are to collaborate on this, it would be best to do so promptly. We are confident that announcing the kind of solution we can collaboratively craft will be a material positive for the Company, Seifi, and all concerned. With governance issues resolved, the Company could focus solely on other critical priorities.

Summary

Thank you again, Ed, for your leadership in this complex process, and thanks to the special committee and the entire Board for its engagement on these vital matters.

With gratitude, on behalf of the Mantle Ridge Team,

Paul Hilal"

- Also on October 11, 2024, Mr. Monser indicated via text message to Mr. Hilal that the letter would be delivered to the full Board that morning, that he would have a series of one-on-one discussions with the Board and that the full Board would meet on that upcoming Sunday, October 13, 2024. Mr. Hilal and Mr. Monser spoke by telephone and discussed that Mantle Ridge highlighted the value of a more comprehensive governance review, including separation of Chairman and CEO and other changes that could bring the Company in line with current best practices in corporate governance, and otherwise protect shareholder interests. Mr. Hilal made reference to how Mantle Ridge had approached this in the past.
- On October 14, 2024, Sean Major, Executive Vice President, General Counsel and Secretary of the Company, delivered to Mr. Hilal a letter from Mr. Monser, stating the following:

"Paul,

Our Board has met to consider the information you provided and requests you have made, including in the meeting last week with four of our directors and you and your colleagues.

I have been authorized by the Board to advise you that we do not believe it would be productive to engage further with you at this time.

Sincerely,

Ed Monser”

- Also on October 14, 2024, Mr. Hilal responded by e-mail to Messrs. Monser and Major, requesting a phone call with Mr. Monser to discuss the Board’s response.
- Following Mr. Hilal’s e-mail, also on October 14, 2024, Mr. Hilal and Mr. Monser spoke telephonically. Mr. Monser stated that the Board unanimously concluded that such proposals should be decided by the Stockholders of the Company and not by the Board.
- On October 15, 2024, it was reported that Mantle Ridge had been in close discussions with Dennis Reilley and Eduardo Menezes concerning the Company and the possibility that they could be of material assistance to it. Mr. Hilal called Mr. Monser and they briefly discussed these executives.
- Also on October 15, 2024, Mr. Hilal contacted by e-mail Mr. Edwin Jager of D.E. Shaw to ask whom Mr. Hilal might talk to relating to D.E. Shaw’s engagement with the Company. Mr. Jager referred Mr. Hilal to Mr. Michael O’Mary, also of D.E. Shaw, with whom Mr. Hilal spoke briefly the following day on October 16, 2024, to arrange a meeting for October 21, 2024.
- On October 17, 2024, Mr. Hilal delivered a letter to the Board, which stated the following:

“Dear Members of the Board,

As we have explained, we intend to offer to the Board, through the formal director nominating process, a range of compelling director candidates. It is our established practice to offer a large range of candidates (in this case nine) to facilitate a robust discussion. This morning we apprised Mr. Monser that these were soon forthcoming. The Board Secretary will receive the nomination package this evening.

Our approach to board reconstitution is well understood and well documented. We discussed it with the committee with which we met. We nominate one Mantle Ridge representative, plus other nominees who are independent of us. We then collaborate with board representatives to create a reconstituted board comprising seasoned, respected, independent-thinking individuals with relevant experience and skills.

We hope you find the nominees we are presenting a great starting point for a collaborative process. We look forward to seeing your suggestions for other nominee candidates, including those of the incumbent directors who wish to continue their service. Ongoing directors can bring very helpful institutional knowledge to a reconstituted board.

As you know, we have extensive experience with leadership change. We have learned that new leadership has the best chance of success if they are, and are perceived to be, genuinely supported by a board eager for their success. This principle is one of the most important ones that guide our approach to board reconstitution.

There is also a separate topic we would like to address. We do not at this time intend to publish this letter or the list of nominees. We have found that keeping discussions like these private is in the shareholders’ best interest.

But it is important to call out at this time that the Company, with full knowledge of our declared intentions and demonstrated history, made the regrettable choice to advance the false narrative that Mantle Ridge is ‘seeking control’, or ‘seeking to control the Board’, or ‘demanding nine seats’. The continuation of this false narrative, or the advancement of others, disserves the shareholders, and undermines this process, and will necessarily cause us to reconsider our approach.

For many reasons, prompt resolution of these matters is both urgent and of highest importance. We are standing by to discuss next steps. Thank you again for your time and consideration.

With gratitude, on behalf of the Mantle Ridge Team,

Paul Hilal”

- Also on October 17, 2024, in order to ensure that it would be in compliance with the advance notice provisions of the Bylaws, the Record Stockholder delivered a notice (the “Nomination Notice”) to

the Company to nominate nine candidates (Andrew Evans, Paul Hilal, David Khani, N. Thomas Linebarger, Nichelle Maynard-Elliott, Tracy McKibben, Dennis Reilley, Donald Walette, Jr. and J. Steven Whisler) for election to the Board at the 2025 Annual Meeting.

- On October 21, 2024, representatives from Mantle Ridge held a virtual meeting with representatives from D.E. Shaw, during which D.E. Shaw disclosed the names of its prospective Board candidates and Mantle Ridge disclosed the possible involvement of Dennis Reilley and Eduardo Menezes. At that meeting, Mantle Ridge also discussed its views on the opportunities for improvement at the Company as well as the valuable role Mr. Reilley and Mr. Menezes could play in creating value for Stockholders. Over the following days, Mantle Ridge and D.E. Shaw engaged in a series of brief telephonic discussions. Over the course of such discussions, D.E. Shaw requested, and received, the names of some of the Mantle Ridge Nominees.
- On October 22, October 30, November 11 and November 18, 2024, the Record Stockholder delivered supplements to the Nomination Notice to reflect information relating to the expiration and net-settlement of physically settled options and settlement of physically settled forward agreements beneficially owned by Mantle Ridge. These settlements increased the number of shares available for Mantle Ridge to vote.

Shaw’s publicly stated support and reiterating Mantle Ridge’s commitment to dutifully serve all of the Company’s shareholders over the many years ahead. As of the date of this Proxy Statement, Mantle Ridge and D.E. Shaw have had no further contacts or communications concerning the Company.

Thank you again for your consideration, and engagement last month.

Respectfully, on behalf of the Mantle Ridge Team,

Paul Hilal”

“Dear Paul,

Thank you for your November 3rd letter.

Our Board has a previously scheduled meeting this Sunday, November 10, at which we will give full consideration to your request for another meeting. We will be in touch with you after our meeting.

Sincerely,

Ed Monser”

- On November 11, 2024, the Board sent a subsequent letter to Mr. Hilal in response to Mr. Hilal’s November 3, 2024 meeting request. The letter stated the following:

“Dear Paul,

Thank you again for your letter, dated November 3.

As I previewed in my last letter to you, the Board discussed earlier today your request for another meeting with directors. After full consideration, we do not believe it would be productive to meet again at this time.

Sincerely,

Ed Monser”

- On November 13, 2024, Mr. Hilal sent a request by text message to Mr. Monser for a telephone call.
- On November 14, 2024, Mr. Hilal called Mr. Monser to apprise him that Mantle Ridge would be submitting that day a standard Delaware Section 220 notice seeking shareholder information. During the call, Mr. Monser indicated that he had no authority to engage and that the Board had “decided as a group” not to engage with Mantle Ridge. After a brief listen-only discussion, Mr. Monser said, “in the spirit of not engaging, I think we should end it there”, and the call was promptly ended.

This filing specifies the four nominees Mantle Ridge intends to nominate (and for whom Mantle Ridge is recommending a “FOR” vote), the four Company nominees Mantle Ridge thinks most problematic (and for whom Mantle Ridge is recommending a “WITHHOLD” vote), and the five Company nominees for whom Mantle Ridge is recommending a “FOR” vote.
- On December 9, 2024, Mantle Ridge filed its definitive proxy statement with the SEC.

REASONS FOR THE SOLICITATION

We have made a substantial investment in the Company in the hopes of helping the Company most fully realize its potential, and to create long-term, sustainable value for Stockholders.

Under the current Board's supervision, the Company has significantly underperformed its competitors and its potential. The root cause is a range of governance failures and deficiencies, which in turn led to mismanagement of strategy, financial capital, human capital, *etc.* The solution, in our view, is to restructure the Board with appropriate independent directors who can be expected to better steward the Board's composition, structure, and performance on the full range of board duties and responsibilities. Among these, a reconstituted Board will lead a search process designed to find a seasoned, proven, industrial-gas industry executive with a superlative track record of value creation to serve as CEO, and who will enable that CEO to be most fully successful. Because of the nature of the Board's dysfunction, self-driven board refreshment simply perpetuates the problem.

In our October 17, 2024 letter to the Board referred to earlier in this Proxy Statement, we described our ordinary approach to board reconstitution. In that letter, we stated that:

- It is our established practice to offer a large range of compelling board candidates to facilitate a robust discussion.
- We nominate one Mantle Ridge representative plus other nominees who are independent of us.
- We then collaborate with the existing board to create a reconstituted board comprising seasoned, respected, independent-thinking individuals with relevant experience and skills, with an eye to ensuring that new leadership has the best chance of success.
- We looked forward to seeing the Board's suggestions for other nominee candidates, including those of the incumbent directors who wish to continue their service, highlighting the value that ongoing directors can bring to a reconstituted Board in the form of very helpful institutional knowledge.

On October 14, 2024 — just five days after our initial meeting on October 9, 2024 — Mr. Monser shut down discussions by sending us a letter stating that “the Board does not believe it would be productive to engage with Mantle Ridge further at this time,” and the Board has repeatedly refused to engage with us in any meaningful way since. The Board had similarly shut down engagement with D.E. Shaw in approximately the same number of days after their initial meeting. They refused to engage in a collaborative process to select among our candidates and incumbent directors who desire to continue their service (or even to interview any of our candidates).

In prior versions of this Proxy Statement, we again invited the Board to join us in that process. The Board still has not done so.

Given this failure, we have instead canvassed shareholders and other stakeholders and received substantial input on the appropriate Board composition. The considerations we weighed included:

- For nominees who would serve as new directors, relevant leadership, management, operating, strategic, financial and technological expertise,
- For nominees who are already on the Board, responsibility for the Board's dysfunction and underperformance, consequences of their continued service and ability to provide institutional knowledge, and
- For all nominees, the range of other considerations typically relevant when comprising a slate of directors.

After weighing the input, we selected and are recommending a vote “FOR” four Mantle Ridge nominees who we believe would bring a fresh perspective and essential experience and skills to the Board. They understand and are committed to the highest standards of corporate governance. They are committed to creating sustainable, long-term value for the Stockholders. Importantly, they can approach prospective decisionmaking — including with respect to the numerous problematic projects the Company is seeking to

remediate — unencumbered by responsibility for past decisions. We also selected the four Company nominees who we believe to be most problematic, and we are recommending a “WITHHOLD” vote for those directors.

As we stated in our October 11, 2024 letter to the Board, a reconstituted board “with a majority of independent directors being new will enhance the chances of this new chapter succeeding.” Our four nominees, together with the two new directors the Company is already nominating, meet that goal.

In order to assure continuity, and after weighing that same input from shareholders and other stakeholders, we are asking shareholders to vote not only for our four nominees but also for the five Company nominees for whom we are recommending “FOR” votes as indicated elsewhere in this Proxy Statement. We believe that if our nominees are elected, and the Board nominees against whom we are recommending a withhold are not, the reconstituted Board will be well positioned to help restore the Company’s performance.

We and each of the Mantle Ridge Nominees stand ready to work shoulder-to-shoulder with each Company nominee elected at the upcoming 2025 Annual Meeting to re-build a culture of success that is focused on long-term value-creation for Stockholders.

We believe that the Mantle Ridge Nominees will provide additional independent voices in the boardroom, bring extensive industry-related experience and expertise to the Board and provide valuable insight on strategy, capital allocation, human capital, incentives, sustainability and operational challenges faced by companies in the industrial gases sector. We believe that the Mantle Ridge Nominees will help instill accountability and drive improved performance and governance — and ultimately enhanced value for all Stockholders.

If one or all of the Mantle Ridge Nominees are elected to the Board, they have indicated that they would seek to help guide a well-designed Board-led search process to replace the current CEO as soon as possible.

As part of that process, Mantle Ridge believes the reconstituted Board should interview Eduardo Menezes and other suitable candidates. However, none of the Mantle Ridge Nominees has predetermined how they would vote on any CEO candidates or any other matters that might be presented to the Board. The Mantle Ridge Nominees are fully independent of each other and are committed to exercising their best independent judgment.

In the coming weeks, we will continue to publicly share these views about what has gone wrong and the changes we believe are essential in order for the Company to achieve its fullest potential. We sought to present those views and ideas to the Board in a non-public forum in order to facilitate a cooperative and constructive dialogue. Proceeding this way would have spared the shareholders great distraction, and would have allowed the changes to be implemented without any undue delay. As with its dialogue with D.E. Shaw, the Board ended its dialogue with Mantle Ridge in a matter of days. They have refused attempts to re-engage.

We have spoken extensively with the shareholders and the sell-side. We ask the Board to consider carefully whether Mr. Ghasemi’s presence during their limited opportunities to engage with the shareholders and the sell-side colors the information they are getting. We urge the independent directors to talk with a wide range of shareholders and sell-side analysts without management present in order to solicit input on the reconstituted Board we recommend, as well as on the following:

- Whether to terminate the current CEO as soon as possible.
- Whether to run a reasonably designed search process for a replacement CEO that is intended to be concluded as soon as possible.
- Whether, as part of any search process, the Board should consider Mr. Menezes as a possible CEO replacement and Mr. Reilly as a possible Executive Chairman.
- The appropriate strategy and capital allocation for the Company going forward.
- Whether they prefer a clean start for a new CEO, without the presence of Mr. Ghasemi on the Board or involvement with the Company in any capacity.

PROPOSAL ONE

ELECTION OF DIRECTORS

According to the Company Proxy Statement, the Board currently consists of nine directors, each elected annually by the Stockholders or, as vacancies arise, by the remaining Board members or the Stockholders. We are seeking your support at the 2025 Annual Meeting to elect the following Mantle Ridge Nominees, each for a term of one year, to serve until their respective successors are elected and qualified: Andrew Evans, Paul Hilal, Tracy McKibben and Dennis Reilley. Assuming the Mantle Ridge Nominees receive sufficient votes to be elected to the Board, your vote to elect the Mantle Ridge Nominees will have the legal effect of replacing four incumbent directors of the Company with the Mantle Ridge Nominees. There is no assurance that any incumbent director will serve as a director if some or all of the Mantle Ridge Nominees are elected to the Board. You should refer to the Company Proxy Statement for the names, background, qualifications and other information concerning the Company's nominees.

We are soliciting proxies to elect all four of the Mantle Ridge Nominees (Andrew Evans, Paul Hilal, Tracy McKibben and Dennis Reilley). We are also asking Stockholders to vote **"WITHHOLD"** on the election of each of Charles Cogut, Lisa A. Davis, Seifollah Ghasemi and Edward L. Monser, **"FOR"** the election of each of Tonit M. Calaway, Jessica Trocchi Graziano, Bhavesh V. Patel, Wayne T. Smith and Alfred Stern. As part of the Nomination and Proposal Notice, we have provided the required notice to the Company pursuant to the universal proxy rules, including Rule 14a-19(a)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and we intend to solicit the holders of Common Stock representing at least 67% of the voting power of Common Stock entitled to vote on the election of directors in support of director nominees other than the Company's nominees.

THE MANTLE RIDGE NOMINEES

The following description sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices or employments for the past five years of the Mantle Ridge Nominees. The nomination was made in a timely manner and in compliance with the applicable provisions of the Company's governing instruments. The specific experience, qualifications, attributes and skills that led us to conclude that the Mantle Ridge Nominees should serve as directors of the Company are also set forth below. This information has been furnished to us by the Mantle Ridge Nominees. Each of the Mantle Ridge Nominees is a citizen of the United States of America.

Andrew Evans, age 58, has significant experience in the energy and utility industry with a career spanning more than 30 years, across a broad spectrum of capital intensive businesses. Mr. Evans currently serves on the boards of Georgia Power (a subsidiary of Southern Company (NYSE: SO)), Southwest Gas Holdings, Inc. (NYSE: SWX), and Centuri Holdings, Inc. (NYSE: CTRI). Mr. Evans has significant experience as a public company CEO (AGL Resources, Inc. (formerly NYSE: AGL)), CFO (Southern Company and AGL Resources), and COO (AGL Resources). Prior to his retirement in 2021, Mr. Evans served as Executive Vice President and CFO of Southern Company from 2018 until 2021, where he was responsible for all investor interaction, public reporting, information technology and cyber security, business development, and risk. He had oversight of all capital deployment and served on the board and investment committees of all material unregulated subsidiaries, including Southern Power. Mr. Evans also served as a Senior Advisor to Southern Company in 2021, following his tenure as Executive Vice President and CFO.

Prior to Southern Company, Mr. Evans served as Chairman, President and CEO of AGL Resources, Inc. (now Southern Gas Company), among other positions, and helped grow that company from \$2 billion in enterprise value until its sale to Southern Company for \$12 billion. Growth was achieved through both acquisition (NUI and NICOR) and new business development. As CEO, Mr. Evans had an unwavering focus on employee and public safety, and operations.

During his 15 years at AGL Resources, Mr. Evans spent more than a decade as CFO. In addition to the customary financial duties, he had direct responsibility for a variety of unregulated businesses. He has significant competency in cost management and systems modernization, and has had direct responsibility for technology and cyber security for more than a decade. There are not many areas of public and private finance that Mr. Evans has not executed in directly.

Prior to AGL Resources, Mr. Evans spent 9 years with Mirant Corp (and its predecessors). His most significant experience there was in the development and operating of a commodity trading business. Mr. Evans has extensive experience in the structuring of derivative financial products, and has been involved in risk management throughout his career. Mr. Evans worked on its initial public offering of both equity and debt securities.

Mr. Evans also spent six years working in Boston for N/E/R/A and the Federal Reserve Bank of Boston. His focus at the former was emissions trading in the utility industry. He previously served as the Finance Chair for the American Gas Association and as a member of the Edison Electric Institute. Mr. Evans has a B.A. in Economics from Emory University.

We believe that Mr. Evans' experience serving on other public company boards of directors, his extensive experience in the gas and electric utility industry, his general management experience, and his corporate strategy experience would add significant value to the Board.

As of the date hereof, Mr. Evans beneficially owns 5 shares of Common Stock. The principal business address of Mr. Evans is 5 Shaw Ln., Chatham, MA 02633.

Paul Hilal, age 58, has significant experience as a value investor, capital allocator, and engaged steward during corporate transformations, which would provide the Board with valuable financial acumen and experience. Mr. Hilal has served as the Founder and CEO of Mantle Ridge LP since 2016. In addition, Mr. Hilal's experience on the boards of a number of public companies allows him to provide a key strategic perspective to the Board. He is the Vice Chairman of the board of directors of CSX Corporation (NASDAQ: CSX) and also currently serves as the Vice Chairman of the board of directors of Dollar Tree, Inc. (NASDAQ: DLTR). Mr. Hilal previously served as the Vice Chairman of the board of directors of Aramark Corporation (NYSE: ARMK) from 2019 to August 2023.

In 2013, prior to forming Mantle Ridge, Mr. Hilal was a partner and senior investment team professional at Pershing Square Capital Management, L.P. ("Pershing Square"). Among his projects there, Mr. Hilal played a leading role in Pershing Square's successful effort to catalyze Board and CEO change at Air Products, from the project's conception until his departure from Pershing Square in 2016. This included development of a detailed value creation plan, and identifying and recruiting current Air Products CEO Seifi Ghasemi to the project – an effort that ultimately led to the incumbent CEO's retirement and the addition of Ed Monser, Matt Paull, and Mr. Ghasemi to the Board.

Over the fall of 2013 and into early 2014, after an extended CEO search conducted in close consultation with Pershing Square, the Board appointed Mr. Ghasemi to the role of Chairman and CEO and the Company and continued to execute a plan that led to the Company's transformation and a multiplication of its value. Over the early years of his tenure, Mr. Ghasemi addressed critical issues identified by Pershing Square. The total return to shareholders over these early years, including share appreciation, dividends and the value of spun assets, was far in excess of that of the Company's peers. In the first five years of Mr. Ghasemi's tenure as CEO, Air Products generated a total shareholder return of 117%, compared to Linde at 72% and Air Liquide at 29%. It is only in more recent years that the Company (under the leadership of the now 80-year-old Mr. Ghasemi) has fallen behind its peers.

While at Pershing Square, Mr. Hilal similarly played a leading role in the firm's successful engagement with Canadian Pacific starting in 2011, and served as Chair of the Management Resources and Compensation Committee of its board from 2012 until his departure from Pershing Square in 2016.

Mr. Hilal received an A.B. degree in biochemistry from Harvard College in 1988, a J.D. from Columbia Law School in 1992, and an M.B.A. from Columbia Business School in 1992.

We believe that Mr. Hilal's extensive knowledge of the industrial gas industry and the Company, in addition to his experience in investing, transformations, and corporate governance, would make him a valuable addition to the Board. We believe Mr. Hilal brings valuable insight on strategy, capital allocation, sustainability and operational opportunities to the Board.

As of the date hereof, Mr. Hilal beneficially owns 4,107,521 shares of Common Stock. The principal business address of Mr. Hilal is 712 Fifth Avenue, 17th Floor, New York, New York 10019.

Tracy McKibben, age 55, is an international climate-conscious energy and environmental technology expert with over 20 years of experience in the energy industry across both the public and private sectors. She is an established leader in innovation that drives environmental impact in the areas of alternative and renewable energy, clean technology, water, infrastructure, and sustainability management. Ms. McKibben is, since 2010, the Founder and CEO of MAC Energy Group companies, which advises and invests in climate-conscious energy and infrastructure solutions across a global platform. She has partnered with multinational corporations and financial institutions on investments and capital structuring across the energy transition value chain. As an investor and entrepreneur, Ms. McKibben has acquired, constructed, and financed over 1GW of global renewable energy assets and invested in and developed innovative water and energy storage technologies. Prior to founding MAC Energy, Ms. McKibben pioneered the Alternative Energy Group at Citigroup where she was Managing Director and Head of Environmental Banking Strategy from 2007 to 2010. During her tenure at Citigroup, she advised alternative and renewable energy companies and diversified multinational corporations on strategic energy investments, U.S. and international energy policies and environmental financing alternatives. Ms. McKibben served as a Member of Citigroup's Alternative Energy Task Force and the Carbon Task Force.

Ms. McKibben also has extensive public sector experience including working in several senior level positions at the White House in the National Security Council as Senior Director of European Affairs and Director of European Economic Affairs and EU Relations. She served at the U.S. Department of Commerce where her positions included Special Counsel for International Trade and Investments, as well as Director and Executive Secretariat in the Office of the Secretary of Commerce.

Prior to her work in the public sector, Ms. McKibben practiced law at Akin, Gump, Strauss, Hauer & Feld LLP representing and advising clients on commercial and complex litigation matters, as well as corporate and multinational energy clients on strategic investments globally. Ms. McKibben also served as a Law Clerk for the Honorable Gladys Kessler in the U.S. District Court for the District of Columbia.

In addition to her executive career, Ms. McKibben has significant public company board experience. She currently serves on the boards of Ecolab Inc. (NYSE: ECL), where she serves on the Governance Committee and Compensation and Human Capital Management Committee, and Huntington Ingalls Industries (NYSE: HII), where she serves on the Nominating & Governance Committee and the Risk & Compliance Committee, having previously served as chair of the Audit Committee. Since 2015, she has also served as a member of the United Services Automobile Association (USAA), where she serves on the Membership & Technology Committee and the Risk & Compliance Committee, having previously chaired the Finance and Audit Committees.

Ms. McKibben's leadership extends to the nonprofit sector as well, notably as Chair of the Board of Directors for the National Kidney Foundation since 2021. She's been honored among Savoy's "Top 100 Most Influential Black Corporate Directors" and Women, Inc. "Most Influential Corporate Directors."

A graduate of West Virginia State University with a B.A. in Political Science, Ms. McKibben earned her J.D. from Harvard Law School in 1994. In recognition of her contributions, West Virginia State University awarded her an honorary Doctor of Humane Letters in 2022.

We believe that Ms. McKibben's substantial executive, board and legal experience, especially in alternative and renewable energy, would provide valuable insight and expertise to the Board. Her financial expertise and insight into energy transition and sustainability will be of particular value.

As of the date hereof, Ms. McKibben does not own any securities of the Company and has not entered into any transactions in the securities of the Company during the past two years. The principal business address of Ms. McKibben is 200 Vesey Street, New York, NY 10281.

Dennis Reilley, age 71, has unparalleled experience as a senior executive at several major multinational, capital-intensive companies, with deep chemical, industrial, and energy sector experience. Most recently, Mr. Reilley served as Chairman, President and Chief Executive Officer of Praxair, Inc., a worldwide industrial

gases company now part of Linde plc (NASDAQ: LIN), from 2000 until his retirement in 2007. During Mr. Reilley's tenure at Praxair, he achieved best-in-class total shareholder returns, revenue growth, EBIT growth, EBIT margins, and returns on invested capital, and he established a strong succession plan for continued success resulting in an approximately 16% annual TSR compounding (36x) over 24 years since he started at Praxair.

While at Praxair, Mr. Reilley was the architect of growth in the company's hydrogen business. He led the development of the firm's first steam methane reformers and the improvement of steam methane reforming technology, built the first hydrogen cavern by an industrial gas company and the second ever in the country, and greatly expanded the firm's hydrogen pipeline network.

Mr. Reilley has held several senior positions at E.I. DuPont de Nemours and Company (NYSE: DD), including: Executive Vice President and Chief Operating Officer of the company; Executive Vice President; Vice President and General Manager of its Lycra business; Vice President and General Manager of its specialty chemicals division; and Vice President and General Manager of its titanium dioxide division; and as a senior executive at Conoco Inc (NYSE: COP).

Mr. Reilley also has vast public company board experience, including having served as Chairman of the Board of Marathon Oil Corporation (NYSE: MRO) and as Chairman of the Board of Covidien (NYSE: COV). Mr. Reilley has also served on the boards of DuPont de Nemours, Inc., CSX Corporation (NASDAQ: CSX), The Dow Chemical Company (NYSE: DOW), H.J. Heinz & Co. (NYSE: HNZ), and Entergy Corporation (NYSE: ETR), serving as a member and in leadership positions on several board committees. His experience on boards across a wide range of industries provides him with substantial expertise on complex public company business and governance issues.

In 2011, Forbes Magazine named Mr. Reilley as one of the best performing CEOs of the decade, and in 2005, during his tenure with Praxair, Inc., Fortune Magazine named the company as the best managed company in America. Mr. Reilley was also named best CEO in America in Basic Materials and Specialty Chemical Sector of the Fortune 500 companies from 2003 to 2007 by Institutional Investor Magazine. Additionally, in 2008, the Society of Chemical Industry awarded him the Chemical Industry Medal for lifelong distinguished service.

Mr. Reilley earned his B.S. in finance from Oklahoma State University.

We believe that Mr. Reilley would be a valuable addition to the Board given his extensive executive leadership, corporate governance and strategy and finance experience in the industrial gases industry. Mr. Reilley's exceptional mastery of all facets of the industrial gases industry and its particular challenges and nuances, and his superb record of building high-performance teams and culture, will prove a great asset to the Board and to the Company.

As of the date hereof, Mr. Reilley does not own any securities of the Company and has not entered into any transactions in the securities of the Company during the past two years. The principal business address of Mr. Reilley is 26191 Woodlyn Dr., Bonita Springs, FL 34134.

Interests in the Solicitation

The Mantle Ridge Nominees may be deemed to have an interest in their nominations for election to the Board by virtue of the compensation that the Mantle Ridge Nominees will receive from the Company as directors, if elected to the Board, and as described below. We expect that the Mantle Ridge Nominees, if elected, will be indemnified for their service as directors of the Company to the same extent indemnification is provided to the current directors of the Company under the Bylaws and the Company's Amended and Restated Certificate of Incorporation and be covered by the policy of insurance which insures the Company's directors and officers.

Mr. Hilal could be considered to have an indirect interest in this Proposal One (Election of the Mantle Ridge Nominees as Directors), as described in further detail below. Other than as set forth in this Proxy Statement and in Schedule I (which is incorporated herein by reference), no Participant, or any associate of any Participant, has any substantial interest, direct or indirect, by security holdings or otherwise, in any matter to be acted upon at the 2025 Annual Meeting.

Mr. Hilal is the Chief Executive Officer of Mantle Ridge, which serves as the sole member of Eagle Advisor, investment advisor to certain funds affiliated with the Mantle Ridge Parties (the “Mantle Ridge Funds”). Through these roles, Mr. Hilal controls the investment and voting decisions of the Mantle Ridge Funds with respect to any securities held by the Mantle Ridge Funds, including any interests in Common Stock held by the Mantle Ridge Funds.

Arrangements between Mantle Ridge and the Mantle Ridge Nominees

Mantle Ridge has entered into Engagement and Indemnification Agreements with each of the Mantle Ridge Nominees (collectively, the “Engagement and Indemnification Agreements”), pursuant to which it has agreed to indemnify each Mantle Ridge Nominee against claims arising from the solicitation of proxies from the Stockholders in connection with the 2025 Annual Meeting and any related transactions. For the avoidance of doubt, this indemnification obligation does not apply or extend to any claims made against any Mantle Ridge Nominee in his or her capacity or service as a director of the Company, if so elected. Pursuant to their Engagement and Indemnification Agreement, each Mantle Ridge Nominee has agreed to, among other matters, stand as a Mantle Ridge Nominee of the Record Stockholder for election to the Board at the 2025 Annual Meeting, be named in Mantle Ridge’s solicitation materials, serve as a director if elected and coordinate with Mantle Ridge in connection with any public disclosures or litigation relating to the solicitation. Pursuant to their Engagement and Indemnification Agreement, each Mantle Ridge Nominee will receive a \$100,000 fee payable upon the earlier to occur of (i) the conclusion of the next meeting of stockholders of the Company at which directors are elected and (ii) the entry into an agreement by the Company and Eagle Advisor with respect to the appointment of directors. Pursuant to each Engagement and Indemnification Agreement, Mantle Ridge has agreed to indemnify each of the Nominees (other than Mr. Hilal) against any losses suffered, incurred or sustained by them in connection with such Nominee being a member of Mantle Ridge’s slate or the solicitation of proxies in connection therewith. Mantle Ridge has further agreed to reimburse each Mantle Ridge Nominee (other than Mr. Hilal) for reasonable, documented, out-of-pocket expenses incurred as a result of their being a member of Mantle Ridge’s slate, including, without limitation, travel expenses and expenses in connection with legal counsel retained to represent them in connection with being a member of Mantle Ridge’s slate. Each Mantle Ridge Nominee has also executed a written consent to serve as a director if elected.

Mr. Reilley has entered into a consulting agreement with Mantle Ridge pursuant to which he was retained as a consultant to advise on industry matters for a de minimus hourly rate. The consulting agreement has a two-year term expiring March 2026. Mantle Ridge intends to terminate the consulting agreement prior to Mr. Reilley’s election to the Board.

Compensation of the Company’s Directors

If elected to the Board, the Mantle Ridge Nominees will not receive any compensation from the Mantle Ridge Parties to serve as a director. The Mantle Ridge Parties expect, however, that the Mantle Ridge Nominees, if elected, will receive whatever compensation the Board has established for non-employee directors of the Company, unless and until the Board determines to change such compensation.

As disclosed in the Company Proxy Statement, non-employee directors of the Company were entitled to receive the following compensation in the 2024 fiscal year:

- Annual Deferred Stock Award: \$160,000;
- Annual Cash Retainer: \$130,000;
- Lead Director Retainer: \$35,000;
- Audit and Finance Committee Chair Retainer: \$25,000;
- Management Development and Compensation Committee Chair Retainer: \$20,000 annually; and
- Corporate Governance and Nominating Committee Chair Retainer: \$15,000 annually.

The Mantle Ridge Parties understand that the Company maintains, at its expense, a policy of insurance which insures its directors and officers.

The Bylaws also contain provisions that, among other matters, provide for the indemnification of officers and directors to the fullest extent permitted by Delaware law. The Mantle Ridge Parties expect that the Mantle Ridge Nominees, if elected, will be indemnified in connection with their service as directors of the Company to the same extent as the current directors of the Company under the Bylaws and will be covered by the policy of insurance which insures the Company's directors and officers.

The share ownership level of each current non-employee director and the compensation that each non-employee director of the Company was entitled to receive during the fiscal year ended September 30, 2024 are set forth in the Company Proxy Statement.

None of the Mantle Ridge Nominees or any of their respective associates has received any cash compensation, cash bonuses, deferred compensation, compensation pursuant to plans, or other compensation, from, or in respect of, services rendered on behalf of the Company that is required to be disclosed under, or is subject to any arrangement described in Item 402 of Regulation S-K promulgated under the Exchange Act ("Regulation S-K").

None of the Mantle Ridge Nominees has any position or office with the Company, and no occupation or employment in which the Mantle Ridge Nominees have been involved during the past five years was carried on with the Company or any company or organization that is a parent, subsidiary or other affiliate of the Company, and none of the Mantle Ridge Nominees has ever served on the Board.

The Mantle Ridge Parties believe that each of the Mantle Ridge Nominees, if elected as a director of the Company, would be an "independent director" within the meaning of (i) New York Stock Exchange ("NYSE") listing standards applicable to board composition and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. Notwithstanding the foregoing, the Mantle Ridge Parties acknowledge that no director of a NYSE-listed company qualifies as "independent" under the NYSE listing standards unless the board of directors of such company affirmatively determines that such director is independent under such standards. Accordingly, the Mantle Ridge Parties acknowledge that if any Mantle Ridge Nominee is elected, the determination of such Mantle Ridge Nominee's independence under the NYSE listing standards ultimately rests with the judgment and discretion of the Board. If elected, we believe that each Mantle Ridge Nominee would qualify as an independent member of the Company's Audit and Finance Committee, Corporate Governance and Management Development and Compensation Committee under each such committee's applicable independence standards. In addition, each Mantle Ridge Nominee understands that, if elected as a director of the Company, such Mantle Ridge Nominee would have an obligation to act in the best interests of the Company and the Stockholders in accordance with his or her fiduciary duties as a director.

Except as set forth in this Proxy Statement (including *Annex A* and the Schedules hereto), (i) no Mantle Ridge Nominee has a family relationship with any director, executive officer, or person nominated or chosen by the Company to become a director or executive officer, and (ii) with respect to each of the Mantle Ridge Nominees, none of the events enumerated in Item 401(f)(1)-(8) of Regulation S-K of the Exchange Act occurred during the past 10 years.

The information herein regarding each Mantle Ridge Nominee has been furnished to us by such Mantle Ridge Nominee.

We expect that the Mantle Ridge Nominees will be able to stand for election, but, in the event any Mantle Ridge Nominee is unable to serve or for good cause will not serve, the shares of Common Stock represented by the enclosed **BLUE universal proxy card or voting instruction form** will be voted for substitute nominee(s), to the extent this is not prohibited under the Bylaws and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to the Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying a Mantle Ridge Nominee, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, we would identify and properly nominate such substitute nominee(s) in accordance with the Bylaws and the shares of Common Stock represented by the enclosed **BLUE universal proxy card or voting instruction form** will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the 2025 Annual Meeting.

The Mantle Ridge Parties and Air Products will each be using a universal proxy card for voting on the election of directors at the 2025 Annual Meeting, which will include the names of all nominees for election to the Board. Each of the Mantle Ridge Nominees has consented to being named as a nominee for election as a director of the Company in any proxy statement relating to the 2025 Annual Meeting. Stockholders will have the ability to vote for up to nine nominees on the Mantle Ridge Parties' enclosed **BLUE universal proxy card or voting instruction form**. There is no need to use the Company's white proxy card or voting instruction form, regardless of how you wish to vote.

STOCKHOLDERS ARE PERMITTED TO VOTE FOR FEWER THAN NINE NOMINEES OR FOR ANY COMBINATION OF THE MANTLE RIDGE NOMINEES AND THE COMPANY'S NOMINEES ON THE **BLUE UNIVERSAL PROXY CARD OR VOTING INSTRUCTION FORM** (BUT NO MORE THAN NINE IN TOTAL). IMPORTANTLY, IF YOU MARK MORE THAN NINE "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, ALL OF YOUR VOTES FOR THE ELECTION OF DIRECTORS WILL BE DEEMED INVALID.

WE STRONGLY URGE YOU TO VOTE ON THE ENCLOSED BLUE UNIVERSAL PROXY CARD OR VOTING INSTRUCTION FORM "FOR" THE ELECTION OF EACH OF THE MANTLE RIDGE NOMINEES (ANDREW EVANS, PAUL HILAL, TRACY MCKIBBEN AND DENNIS REILLEY), "WITHHOLD" ON THE ELECTION OF EACH OF CHARLES COGUT, LISA A. DAVIS, SEIFOLLAH GHASEMI AND EDWARD L. MONSER, AND "FOR" THE ELECTION OF EACH OF TONIT M. CALAWAY, JESSICA TROCCHI GRAZIANO, BHAVESH V. PATEL, WAYNE T. SMITH AND ALFRED STERN.

PROPOSAL TWO

RATIFICATION OF THE SELECTION OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2025

According to the Company Proxy Statement, the Audit and Finance Committee has selected Deloitte & Touche LLP (“Deloitte”) as its independent registered public accounting firm for the fiscal year ending September 30, 2025, and has further directed that management submit the selection of the Company’s independent registered public accounting firm for ratification by the Stockholders at the 2025 Annual Meeting.

According to the Company Proxy Statement, Deloitte was appointed as the Company’s independent registered public accounting firm in 2019 and has reported on its consolidated financial statements for years 2019 through 2024. The Company Proxy Statement states that the decision to select Deloitte as the Company’s independent registered public accounting firm for fiscal year 2025 (ending September 30, 2025) was recommended by the Audit and Finance Committee and recommended by the Board.

According to the Company Proxy Statement, representatives of Deloitte are expected to be present at the 2025 Annual Meeting and will be able to make a statement at the 2025 Annual Meeting if they wish and will be available to respond to appropriate questions.

Neither the Bylaws nor other governing documents or law require that the Stockholders ratify the selection of Deloitte as the Company’s independent registered public accounting firm. According to the Company Proxy Statement, the Board submits the selection of Deloitte to the Stockholders for ratification by Stockholders at the 2025 Annual Meeting as a matter of good corporate governance.

WE RECOMMEND A VOTE “FOR” THIS PROPOSAL.

PROPOSAL THREE

ADVISORY VOTE TO APPROVE THE COMPENSATION OF NAMED EXECUTIVE OFFICERS

According to the Company Proxy Statement, the Board requests that the Stockholders approve the compensation of its Named Executive Officers (as described in the Company Proxy Statement) pursuant to Section 14A of the Exchange Act. A discussion of this matter can be found in the Company Proxy Statement in the section titled “*Compensation Discussion and Analysis*” beginning on page 29 of the Company Proxy Statement, and the compensation tables beginning on page 45 of the Company Proxy Statement, and any related narrative discussion contained throughout the Company Proxy Statement. This vote is advisory and not binding on the Company, but the Company Proxy Statement states that the Board and the Compensation Committee value the opinions of the Stockholders and will consider the outcome of the vote in determining its executive compensation program.

“Say-on-Pay” Vote

The Company Proxy Statement asks Stockholders to vote to support the compensation of the Company’s named executive officers for the fiscal year ending September 30, 2025. According to the Company Proxy Statement, although this vote is advisory and therefore not binding on the Board, the Management Development and Compensation Committee of the Board will review the voting results. The Company Proxy Statement states that if there are a significant number of negative votes, the Company will seek to understand the concerns that influenced the vote and to address them in making future decisions regarding the Company’s executive compensation program.

According to the Company Proxy Statement, a majority of votes cast is the voting standard for approval of the Compensation Proposal. Additional information regarding the Compensation Proposal is contained in the Company Proxy Statement.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS PROPOSAL.

PROPOSAL FOUR

MANTLE RIDGE PARTIES PROPOSAL TO REPEAL ANY PROVISION OF, OR AMENDMENT TO, THE BYLAWS THAT THE BOARD ADOPTED OR ADOPTS AFTER SEPTEMBER 17, 2023 AND UP TO AND INCLUDING THE END OF THE 2025 ANNUAL MEETING

We have notified the Company that we intend to present the Bylaw Proposal for consideration at the 2025 Annual Meeting.

The Mantle Ridge Parties believe that in order to ensure that the will of the Stockholders with respect to this proxy solicitation is upheld, no effect should be given to any provision of, or amendment to, the Bylaws unilaterally adopted by the Board after the date of the most recent publicly disclosed Bylaws, which is September 17, 2023.

The Stockholders of the Company are therefore being asked to adopt a resolution that would repeal any provision of, or amendment to, the Bylaws that the Board adopted or adopts after September 17, 2023 and up to and including the end of the 2025 Annual Meeting. Pursuant to Article X of the Bylaws, the Board is authorized to alter or repeal the Bylaws of the Company by the vote of a majority of the Board, subject to the power of the stockholders to alter or repeal any Bylaw made by the Board. The Bylaws may also be repealed, altered, or amended, and new Bylaws may be adopted, at any meeting of the stockholders, either annual or special, by the affirmative vote of a majority of the stock entitled to vote at such meeting.

Accordingly, the following resolution will be submitted for a Stockholder vote at the 2025 Annual Meeting and we strongly urge that Stockholders for **“FOR”** this resolution:

“RESOLVED, that each provision of, or amendment to, the Bylaws adopted by the Board without the approval of the Corporation’s stockholders subsequent to September 17, 2023 (the date of the most recent publicly disclosed Bylaws) and prior to the end of the 2025 Annual Meeting at which this resolution is approved be, and hereby are, repealed, effective as of the time this resolution is approved by the Corporation’s stockholders.”

The Bylaw Proposal is binding on the Company. According to the Company Proxy Statement, a majority of votes cast is the voting standard for approval of the Bylaw Proposal.

WE STRONGLY URGE YOU TO VOTE “FOR” THE APPROVAL OF THE BYLAW PROPOSAL ON THE ENCLOSED BLUE UNIVERSAL PROXY CARD OR VOTING INSTRUCTION FORM.

NO APPRAISAL OR DISSENTER'S RIGHTS

Stockholders will not have rights of appraisal or similar dissenter's rights with respect to any matters identified in this Proxy Statement to be acted upon at the 2025 Annual Meeting.

VOTING AND PROXY PROCEDURES

Only Stockholders of record at the close of business on the Record Date will be entitled to notice of and to vote at the 2025 Annual Meeting. Each share of Common Stock is entitled to one vote. Stockholders who sell shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares of Common Stock. Stockholders of record on the Record Date will retain their voting rights in connection with the 2025 Annual Meeting even if they sell such shares of Common Stock after the Record Date. Based on publicly available information, we believe that the only outstanding class of securities of the Company entitled to vote at the 2025 Annual Meeting is the Common Stock.

Shares of Common Stock represented by a properly executed **BLUE universal proxy card or voting instruction form** will be voted at the 2025 Annual Meeting as marked and, in the absence of specific instructions, will be voted (1) **"FOR"** the election of each of the Mantle Ridge Nominees to the Board (Andrew Evans, Paul Hilal, Tracy McKibben and Dennis Reilley), **"WITHHOLD"** on the election of each of Charles Cogut, Lisa A. Davis, Seifollah Ghasemi and Edward L. Monser, and **"FOR"** the election of each of Tonit M. Calaway, Jessica Trocchi Graziano, Bhavesh V. Patel, Wayne T. Smith and Alfred Stern, (2) **"FOR"** the Ratification of Auditors, and (3) **"FOR"** the approval of the Bylaw Proposal. The Participants make no recommendation with respect to the Compensation Proposal.

The Mantle Ridge Parties and Air Products will each be using a universal proxy card for voting on the election of directors at the 2025 Annual Meeting, which will include the names of all nominees for election to the Board. Stockholders will have the ability to vote for up to nine nominees on the Mantle Ridge Parties' enclosed **BLUE universal proxy card or voting instruction form**. **There is no need to use the Company's white proxy card or voting instruction form, regardless of how you wish to vote.**

Stockholders are permitted to vote for fewer than nine nominees or for any combination of the Mantle Ridge Nominees and the Company's nominees on the **BLUE universal proxy card or voting instruction form** (but no more than nine in total). The Mantle Ridge Parties urge Stockholders to vote **"FOR"** each of the Mantle Ridge Nominees (Andrew Evans, Paul Hilal, Tracy McKibben and Dennis Reilley), **"WITHHOLD"** on the election of each of Charles Cogut, Lisa A. Davis, Seifollah Ghasemi and Edward L. Monser, and **"FOR"** the election of each of Tonit M. Calaway, Jessica Trocchi Graziano, Bhavesh V. Patel, Wayne T. Smith and Alfred Stern.

IMPORTANTLY, IF YOU MARK MORE THAN NINE "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, ALL OF YOUR VOTES FOR THE ELECTION OF DIRECTORS WILL BE DEEMED INVALID. IF YOU MARK ONLY ONE "FOR" BOX WITH RESPECT TO THE ELECTION OF DIRECTORS, YOUR SHARES WILL ONLY BE VOTED "FOR" THE NOMINEE YOU HAVE SO MARKED.

In the event that the Record Stockholder withdraws its nomination of any of the Mantle Ridge Nominees or abandons its solicitation, any votes cast in favor of the withdrawn Mantle Ridge Nominees will be disregarded and not be counted, whether such vote is provided on the Company's white universal proxy card or the Mantle Ridge Parties' **BLUE universal proxy card or voting instruction form**.

With respect to votes cast in favor of the Company's nominees or on matters other than the election of directors, in the event that the Record Stockholder withdraws its nomination of any of the Mantle Ridge Nominees or abandons its solicitation, the Mantle Ridge Parties will still submit such votes to the independent inspector.

Quorum; Abstentions and Broker Nonvotes; No Discretionary Voting

A quorum of Stockholders is necessary to hold a valid meeting. The Company Proxy Statement states that a quorum exists if a majority of the outstanding shares of Company stock are present at the 2025 Annual

Meeting or represented there by proxy. If you vote, including by internet, telephone or proxy card, your shares voted will be counted towards the quorum for the 2025 Annual Meeting. Proxies marked as abstentions and broker discretionary votes are treated as present for purposes of determining a quorum.

The Company Proxy Statement states that if a broker, bank or other nominee holds shares of Company stock for your benefit and the shares are not in your name on the transfer agent's records, then you are considered the "beneficial owner" of those shares. If your shares are held this way, sometimes referred to as being held in "street name", your broker, bank or other nominee will send you instructions on how to vote. If you have not heard from the broker, bank or other nominee who holds your Company stock, please contact them as soon as possible. If you plan to attend the meeting and would like to vote your shares held by a bank, broker or other nominee, you must obtain a legal proxy. If you do not give your broker instructions as to how to vote, under NYSE rules, your broker has discretionary authority to vote your shares for you on Item 2 to ratify the appointment of auditors. Your broker may not vote for you without your instructions on the other items of business. **Therefore, it is critical that you indicate your vote on these proposals if you want your vote to be counted.** We encourage you to vote promptly, even if you plan on attending the 2025 Annual Meeting.

Votes Required for Approval

What vote is required to elect the Mantle Ridge Nominees?

The Company Proxy Statement states that according to the Bylaws, in a contested election such as this one, directors shall be elected on a plurality basis. A "plurality cast", with regard to the election of a director, means that the nine (9) director nominees receiving the greatest number of votes cast "for" their election will be elected. Votes withheld and broker nonvotes are not votes cast and will result in the applicable nominees receiving fewer "FOR" votes for purposes of determining the nine director nominees receiving the most votes. A properly executed proxy marked to "WITHHOLD" a vote with respect to the election of any or all director nominees will be counted for purposes of determining whether there is a quorum, but will not be considered to have been voted for or against such nominee.

How many shares of Common Stock must be voted in favor of the other proposals described in this Proxy Statement?

The Company Proxy Statement disclosed that the Ratification of Auditors, the Compensation Proposal and the Bylaw Proposal all require a majority of votes cast at the 2025 Annual Meeting, assuming there is a quorum at the 2025 Annual Meeting.

If other matters are properly brought before the 2025 Annual Meeting, the vote required will be determined in accordance with applicable law, the listing standards and rules of the NYSE, the Bylaws and Delaware law, as applicable.

The Company Proxy Statement disclosed that abstentions will be counted as shares present and entitled to vote at the Annual Meeting, but will not be counted as votes cast. Therefore, abstentions are anticipated to have no effect on the Bylaw Proposal, the Ratification of Auditors, or the Compensation Proposal.

What should I do in order to vote for the Mantle Ridge Nominees?

If your shares of Common Stock are held of record in your own name, please authorize a proxy to vote by marking, signing, dating and returning the enclosed **BLUE** proxy card in the postage-paid envelope provided or by instructing us by telephone or via the Internet as to how you would like your shares of Common Stock voted (instructions are on your **BLUE** proxy card).

If you hold your shares of Common Stock in "street name" with a bank, brokerage firm, dealer, trust company or other institution or nominee, only they can exercise your right to vote with respect to your shares of Common Stock and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your bank, brokerage firm, dealer, trust company or other institution or nominee to ensure that a **BLUE** voting instruction form is submitted on your behalf. Please follow the

instructions to authorize a proxy to vote provided on the enclosed **BLUE** voting instruction form. If your bank, brokerage firm, dealer, trust company or other nominee provides for voting instructions to be delivered to them by Internet or telephone, instructions will be included on the enclosed **BLUE** voting instruction form.

YOUR VOTE IS VERY IMPORTANT. If you do not plan to attend the 2025 Annual Meeting, we encourage you to read this Proxy Statement and date, sign and return your completed **BLUE** proxy card or voting instruction form prior to the 2025 Annual Meeting so that your shares of Common Stock will be represented and voted in accordance with your instructions. Even if you plan to attend the 2025 Annual Meeting, we recommend that you authorize a proxy to vote your shares of Common Stock in advance as described above to ensure that your vote will be counted if you later decide not to attend the 2025 Annual Meeting.

If you sign and submit your **BLUE universal proxy card or voting instruction form** without specifying how you would like your shares voted, your shares will be voted as specified above and in accordance with the discretion of the persons named on the **BLUE universal proxy card or voting instruction form** with respect to any other matters that may be voted upon at the 2025 Annual Meeting.

Revocation of Proxies

Stockholders may revoke their proxies at any time prior to exercise by attending the 2025 Annual Meeting and voting in person (although attendance at the 2025 Annual Meeting will not in and of itself constitute revocation of a proxy), by delivering a written notice of revocation, or by signing and delivering a subsequently dated proxy which is properly completed. The latest dated proxy is the only one that will be counted. The revocation may be delivered either to Mantle Ridge in care of D.F. King at the address set forth on the back cover of this Proxy Statement or to the Company at 1940 Air Products Boulevard, Allentown, PA 18106-5500 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, Mantle Ridge requests that either the original or photostatic copies of all revocations be mailed to Mantle Ridge in care of D.F. King at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date. Additionally, D.F. King may use this information to contact Stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Mantle Ridge Nominees.

IF YOU WISH TO VOTE FOR THE MANTLE RIDGE NOMINEES, PLEASE SIGN, DATE AND RETURN THE ENCLOSED BLUE UNIVERSAL PROXY CARD OR VOTING INSTRUCTION FORM TODAY IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by the Participants. Proxies may be solicited by mail, facsimile, telephone, Internet, in person and by advertisements. Solicitations may be made by certain of the respective directors, officers, members and employees of Mantle Ridge, none of whom will, except as described elsewhere in this Proxy Statement, receive additional compensation for such solicitation. The Mantle Ridge Nominees may make solicitations of proxies but, except as described herein, will not receive compensation for acting as director nominees.

The Mantle Ridge Parties have retained D.F. King to provide solicitation and advisory services in connection with the 2025 Annual Meeting. D.F. King will receive a fee in an amount not to exceed \$1,000,000 and reimbursement of reasonable documented out-of-pocket expenses for its services to the Mantle Ridge Parties in connection with the solicitation. The terms of the engagement provide further that the Mantle Ridge Parties may, in their discretion, agree to pay an additional success fee to D.F. King in an amount to be determined by the Mantle Ridge Parties, in their sole discretion, if the Mantle Ridge Parties determine that such a success fee is warranted in light of the performance by D.F. King of its services.

Mantle Ridge has agreed to indemnify D.F. King against certain liabilities and expenses that it may incur in connection with the delivery of services to Mantle Ridge in connection with the solicitation. As of the date hereof, the total anticipated cost thereof is not yet determinable. It is anticipated that D.F. King will employ approximately 100 persons to solicit stockholders of the Company for the 2025 Annual Meeting.

Mantle Ridge has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares of Common Stock they hold of record. Mantle Ridge will reimburse these record holders for their reasonable out-of-pocket expenses in so doing.

The entire expense of soliciting proxies is being borne by Mantle Ridge. Costs in connection with this solicitation of proxies are currently estimated to be approximately \$8,000,000, of which approximately \$2,000,000 in costs has been incurred to date. Mantle Ridge intends to seek reimbursement from the Company of all costs and expenses that the Mantle Ridge Parties incur in connection with its engagement with the Company through the 2025 Annual Meeting (including the \$100,000 fee payable to each of the Mantle Ridge Nominees pursuant to the Engagement and Indemnification Agreements). The Mantle Ridge Parties expect that the determination as to whether to submit such reimbursement to a vote of the Company's stockholders will be made by the reconstituted Board, which may include some or all of the Mantle Ridge Nominees, though Mr. Hilal expects to recuse himself from this vote.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

The information herein contains “forward-looking statements.” Specific forward-looking statements can be identified by the fact that they do not relate strictly to historical or current facts and include, without limitation, words such as “may,” “will,” “expects,” “believes,” “anticipates,” “plans,” “estimates,” “projects,” “potential,” “targets,” “forecasts,” “seeks,” “could,” “should” or the negative of such terms or other variations on such terms or comparable terminology. Similarly, statements that describe our objectives, plans or goals are forward-looking. Forward-looking statements are subject to various risks and uncertainties and assumptions. There can be no assurance that any idea or assumption herein is, or will be proven, correct. If one or more of the risks or uncertainties materialize, or if Mantle Ridge’s underlying assumptions prove to be incorrect, the actual results may vary materially from outcomes indicated by these statements. Accordingly, forward-looking statements should not be regarded as a representation by Mantle Ridge that the future plans, estimates or expectations contemplated will ever be achieved.

Certain statements and information included herein have been sourced from third parties. Mantle Ridge does not make any representations regarding the accuracy, completeness or timeliness of such third party statements or information. Except as may be expressly set forth herein, permission to cite such statements or information has neither been sought nor obtained from such third parties. Any such statements or information should not be viewed as an indication of support from such third parties for the views expressed herein.
